British Journal of sports medicine

Index: Volume 23 1989

Subject Index

Achilles tendon rupture
  badminton, injury, preventive measures, 102
India
  menarche, volleyball, basketball, 237
VO_2 max
  thermoregulation, sweat loss, exercise, 109
  renal function, ultra-distance running, rectal temperature, 227
accident registration
  alpine skiing injuries, knee ligament strains, head injuries in childhood, preventive measures, 241
acute metabolic effects
  anabolic steroids, exercise, bodybuilders, 186
aerobic capacity
  asthma, exercise, running, blood lactate, 115
aerobic power
  boy dancers, anthropometry, muscle performance, 245
alkalosis
  sprints (repeated), lactic acid, sodium bicarbonate, 41
alpine skiing injuries
  accident registration, knee ligament strains, head injuries in childhood, preventive measures, 241
anabolic steroids
  exercise, bodybuilders, acute metabolic effects, 186
androgenic–anabolic steroids
  creatine kinase, strength training, 188
ankle sprains
  strapping, sports medicine, sports injuries, 239
anterior-posterior knee joint laxity
  torsional knee laxity, exercise, 165
anthropometry
  boy dancers, aerobic power, muscle performance, 245
anthropometry
  cycling, 30
asthma
  exercise, running, aerobic capacity, blood lactate, 115
aviation
  parachuting, sports injury epidemiology, 27
badminton
  Achilles tendon rupture, injury, preventive measures, 102
basketball
  menarche, volleyball, India, 237
biomechanics
  cricket, fast bowling, sports injury, kinanthropometry, 150
blood lactate
  asthma, exercise, running, aerobic capacity, 115
  endurance exercise, training, five km times, running economy, 171
bodybuilders
  anabolic steroids, exercise, acute metabolic effects, 186
boy dancers
  anthropometry, aerobic power, muscle performance, 245
camogie
  hurling, injuries, 183
carbohydrates
  endurance athletes, diet, vitamins, minerals, 94
cerebral injury
  injury rates, taekwondo, protective equipment, 161
continued participation
  marathon running, longitudinal study, pre-race drop-out, injury, 97
creatine kinase
  androgenic–anabolic steroids, strength training, 188
cricket
  fast bowling, sports injury, biomechanics, kinanthropometry, 150
cycling
  anthropometry, 30
dancing
  survey, injuries, 155
demographics
  marathon runners, health, training, injuries, 177
diet
  endurance athletes, carbohydrates, vitamins, minerals, 94
endurance
  glucose, gluscose-polymer, exercise, skill sports, 105
  lactate, stepping exercise, 190
endurance athletes
  diet, carbohydrates, vitamins, minerals, 94
endurance exercise
  training, five km times, running economy, blood lactate, 171
exercise
  anabolic steroids, bodybuilders, acute metabolic effects, 186
  anterior-posterior knee joint laxity, torsional knee laxity, 165
  asthma, running, aerobic capacity, blood lactate, 115
  glucose, gluscose-polymer, endurance, skill sports, 105
  thermoregulation, sweat loss, VO_2 max, 109
fast bowling
  cricket, sports injury, biomechanics, kinanthropometry, 150
five km times
  endurance exercise, training, running economy, blood lactate, 171
glucose
  gluscose-polymer, endurance, exercise, skill sports, 105
gluscose-polymer
  glucose, endurance, exercise, skill sports, 105
head injuries in childhood
  accident registration, alpine skiing injuries, knee ligament strains, preventive measures, 241
health
  marathon runners, training, injuries, demographics, 177
high intensity training
  slalom canoeing, muscle fibre area, muscle fibre type, 23
hurling
  camogie, injuries, 183
injuries
  hurling, camogie, 183
  marathon runners, health, training, demographics, 177
  shinty, injury rate, 179
  survey, dancing, 155
injury
  Achilles tendon rupture, badminton, preventive measures, 102
  marathon running, longitudinal study, continued participation, pre-race drop-out, 97

injury rate
shinty, injuries, 179
injury rates
taekwondo, protective equipment, cerebral injury, 161
kinanthropometry
cricket, fast bowling, sports injury, biomechanics, 150
knee ligament strains
accident registration, alpine skiing injuries, head injuries in childhood, preventive measures, 241
lactate
endurance, stepping exercise, 190
lactate threshold
onset of blood lactate accumulation, race walking performance, 250
lactic acid
alkalosis, sprints (repeated), sodium bicarbonate, 41
longitudinal study
marathon running, continued participation, pre-race drop-out, injury, 97
marathon runners
health, training, injuries, demographics, 177
salivary steroids, psychometric indices, 89
marathon running
longitudinal study, continued participation, pre-race drop-out, injury, 97
menarche
volleyball, basketball, India, 237
minerals
endurance athletes, diet, carbohydrates, vitamins, 94
muscle fibre area
slalom canoeing, high intensity training, muscle fibre type, 23
muscle fibre type
slalom canoeing, high intensity training, muscle fibre area, 23
muscle performance
boy dancers, anthropometry, aerobic power, 245
onset of blood lactate accumulation
lactate threshold, race walking performance, 250
parachuting
aviation, sports injury epidemiology, 27
pre-race drop-out
marathon running, longitudinal study, continued participation, injury, 97
preventive measures
accident registration, alpine skiing injuries, knee ligament strains, head injuries in childhood, 241
Achilles tendon rupture, badminton, injury, 102
protective equipment
injury rates, taekwondo, cerebral injury, 161
psychometric indices
salivary steroids, marathon runners, 89
race walking performance
lactate threshold, onset of blood lactate accumulation, 250
rectal temperature
renal function, ultra-distance running, VO_2 max, 227
renal function
ultra-distance running, rectal temperature, VO_2 max, 227
running
asthma, exercise, aerobic capacity, blood lactate, 115
running economy
endurance exercise, training, five km times, blood lactate, 171
salivary steroids
psychometric indices, marathon runners, 89
shinty
injuries, injury rate, 179
skill sports
glucose, gluscose-polymer, endurance, exercise, 105
slalom canoeing
high intensity training, muscle fibre area, muscle fibre type, 23
sodium bicarbonate
alkalosis, sprints (repeated), lactic acid, 41
sports injuries
ankle sprains, strapping, sports medicine, 239
sports injury
cricket, fast bowling, biomechanics, kinanthropometry, 150
sports injury epidemiology
parachuting, aviation, 27
sports medicine
ankle sprains, strapping, sports injuries, 239
sprints (repeated)
alkalosis, lactic acid, sodium bicarbonate, 41
stepping exercise
lactate, endurance, 190
strapping
ankle sprains, sports medicine, sports injuries, 239
strength training
androgenic–anabolic steroids, creatine kinase, 188
survey
dancing, injuries, 155
sweat loss
thermoregulation, VO_2 max, exercise, 109
taekwondo
injury rates, protective equipment, cerebral injury, 161
thermoregulation
sweat loss, VO_2 max, exercise, 109
torsional knee laxity
anterior-posterior knee joint laxity, exercise, 165
training
endurance exercise, five km times, running economy, blood lactate, 171
marathon runners, health, injuries, demographics, 177
ultra-distance running
renal function, rectal temperature, VO_2 max, 227
vitamins
endurance athletes, diet, carbohydrates, minerals, 94
volleyball
menarche, basketball, India, 237

Author Index

Announcement
FIMS XXIV World Congress in Amsterdam 27 May–1 June 1990, 217
BASM News, Gleneagles Report, 5
Editorial, 2, 67, 139, 203
Meeting reports, 55
Position statements, 59
From the Centres
Australian Institute of Sport, Canberra, 72
London Sports Medicine Institute, 7
From the Clinics
Gillham, N R and Villar, R N, Postero-lateral subluxation of the superior tibio-fibular joint, 195
Kennedy, M and Molloy, M, Brachial plexus neuropathy in a gymnast associated with chicken pox, 226
From the Governing Bodies
Development cooperation (IAAF), 69
Position statements, 132
Obituary
Professor Guiseppe La Cava, 198
Journals Club
Sports medicine current awareness service produced by the London Sports Medicine Institute Library, 9, 70, 140, 204
Medical Games, 206
Team Doctor
Donald A D Macleod, 211
World of Sports Medicine
History of Sports Medicine in the Netherlands, 219
Dutch National Institute for Sports Health Care, 222
Calendar, 63, 135, 199, 259
